

CKNS Pool Sessions – 2019

CKNS would like to host pool sessions throughout Nova Scotia this winter/spring. This year we would like to reimburse the instructor directly (who would then pay for pool time, etc.).

The details: One session to be held in each area (CB, Western, Northern, Capital). Instructors must be CKNS members and Paddle Canada certified.

Instructors would be responsible for/criteria for application:

- Booking pool time.
- Registering the clinic with Paddle Canada.
- Advertising, noting that the event is sponsored by CKNS, including the logo.
- Signing new members if non-members are attending.
- Lowering the participant price in lieu of the subsidy.

Instructors will receive their reimbursement when CKNS receives:

- A copy of your advertisements
