Locations to be used: _____

Program description (brief description of how the boats will be used): _____

Paddle Canada or CKC course ID or Event Name: _____

I agree to follow the below conditions: Initial

- All paddlers will be supervised by a qualified CKC/PC instructor.
- All paddlers will receive an appropriate safety briefing before paddling.
- All paddlers will read and sign an appropriate waiver form before paddling (see CKNS for example).
- All boats and associated equipment will have safe and secure transportation and storage.
- All boats will have required safety equipment (minimum PFD for indoor flat water paddling, Transport Canada for everything else).
- All boats and associated equipment will be returned to the CKNS storage site on or before the date and time noted above, if boats and equipment are being returned early, then CKNS must be contacted to arrange a mutually acceptable date/time for the return (i.e. The renter can't just dump the boats somewhere and walk away).
- All boats and associated equipment will be properly cleaned before being returned.
- If required, any damage or loss of boats and/or associated equipment will be properly repaired and/or replaced at the borrower's expense.
